Develop to Lead Participant:

Welcome to Develop to Lead! I am excited that you have chosen to pursue this process of development, which I am confident will lead you to a deeper relationship with the Word of God and the God of the Word. My prayer is that you will also further develop and discern God's call on your life as it pertains to leadership and ministry within the church.

The mission of Abundant Life is "to see lives changed by Jesus," and I believe that Develop to Lead can enhance your effectiveness in reaching others with this mission and assist you in reaching your full potential for leadership and service within the body of Christ.

During this process, it is my prayer that you will gain a deeper knowledge of the doctrine of the Christian faith (The Gospel), learn more about God's plan to establish His Kingdom (The Mission) and the impact that has on you and your ministry (The Ministry).

God bless,

Pastor Phil

Mission

To see lives changed by Jesus

Vision

Living proof of a loving God to a watching world

CORE VALUES

SERVING

Changed people serve people

By doing this we admit there is someone greater than us. We acknowledge God is our Lord and King. We worship because it places Him in the right place in our lives and ultimately changes ours.

COMMUNITY

People need people

Living life, side by side, allows for meaningful relationships to evolve and grow. Don't live life alone.

EVANGELISM

Reaching people far from God

People matter to God so they should matter to us. Going across seas and across streets are important because we believe people need to be rescued. We'll do anything short of sin to reach people far from God.

DISCIPLESHIP

Growing people change

We're committed to training and guiding people in Christ. Learning never ends.

GENEROSITY

Giving away what God has given us

It's not ours to begin with. We want to live generously to bless our church, our city and our world.

WORSHIP

All of me for all of Him

By doing this we admit there is someone greater than us. We acknowledge God is our Lord and King. We worship because it places Him in the right place in our lives and ultimately changes ours.
